

**DON'T TAKE OUR WORD FOR IT...**

## **WEDDING TESTIMONIAL**

We had an excellent time and are already talking with many about coming back. We won't bother you with any planning this time. We thank you for everything. I'm still asking myself why I don't live out there. Our guests had a great time. Everyone's still talking about it. The relocation of the wedding due to the weather was acceptable and didn't lack in any way. We thought it was perfect. We couldn't be happier with the overall experience. I just wish we had more time there without the wedding stress. The staff was excellent and so kind and helpful. The food was also great.

Thank you for everything. You guys do an awesome job there. We're already talking about returning next year some time.

Thank You,  
Jason
